

ETHOS STATEMENT

LIFE Wirral Sports School is a 'can do' school, where every pupil matters. LIFE Wirral Sports School, makes **educational** provision for all children, including those with social, emotional behavioural, medical or **other** needs who, without its provision, cannot access suitable **education**. This sits at the heart of the school community and the curriculum we deliver. We firmly believe that every pupil is unique and therefore brings different experiences, skills and ideas into the classroom. This in turn influences how they and others around them learn. LIFE Wirral Sports School nurtures each pupil with a sense of personal responsibility, determination and self-discipline so that they can fulfil their potential.
